2017 – 2018 Creative Outburst Music Enrollment Agreement

Welcome! Thank you for enrolling for private music lessons with us.

It is important to us that you understand the following terms.

- 1.) All monthly payments are due by the first Monday of the month.
- 2.) Monthly rates are based upon the average number of weeks in the month, not the number of your lesson days. See rate information calendar for details.
- 3.) Quarterly payments are due by the end of the previous quarter.
- 4.) There is a \$5 late fee per week for both monthly and quarterly pay plans.
- 5.) **Attendance policy:** Lessons cancelled by the student are not subject to refund, nor a make-up lesson. Our teachers rely on these lessons as a steady source of income, and a consistent schedule. Most importantly, consistency and commitment are key elements of the learning process. You will not be charged for any lesson cancelled by the teacher.
- 6.) If your lesson payments are more than 2 weeks past due or you miss two weeks of lessons in succession without notifying your teacher, the teacher, may, at his or her discretion, remove your name from the schedule and offer that lesson time to a new student.
- 7.) **30 days notice is required to terminate lessons – no refunds.**
- 8.) Creative Outburst is independent of school district’s scheduled days off and half days, see the brochure for holidays.
- 9.) In case of severe weather school closings, it will all depend on the roads and transportation. If at all possible, we try to keep everyone on schedule. We will try to touch base with you that day for confirmation.

THANK YOU!
