2011 Spring Preview – MID \$500's 10800 Misty Lane, Woodbury

Next year's entry showcase, a creative new floor plan with
3,000 square feet. Future daylight lower level will give you
4,000 square feet of Dancing Waters living.

The Big Move

Michael Lee and Kootenia Homes has moved its operation
to 1890 Wooddale Drive, Suite 400, Woodbury to better
serve you. Actually, we moved to become as lean as a
company can possibly be to stay competitive in this
market. With this move finished, we would love to visit
with you about your next project. We look forward to
many years serving the east metro with fine homes and
remodeling.
